

EMAINOX **DECANTER 8980210 Wine Show Case**

ELEGANCE AND RELIABILITY

Decanter is the new line of showcases for the display and conservation of wine, created in respect of maintenance and service principles. It recreates the typical ideal conditions of a traditional wine cellar.

Thanks to the right setting of temperature and humidification, the aroma and the organoleptic features of your wine will be unchanged and your wine will be conserved at the ideal conditions.

Decanter design and elegance offer a great visibility to the displayed product. Its compact size makes it adaptable to any space needs and, together with its different customized solutions, it becomes a refined piece of furniture and stands out in the location where it is positioned: from the wine shop to the restaurant, from the bar to the private residence.
